THIS FORM IS FOR THE REGISTRATION OF NEW PESTICIDE PRODUCTS ONLY. IF YOU ARE RENEWING PREVIOUSLY REGISTERED PRODUCTS, PLEASE CALL 515-281-4339 TO REQUEST A RENEWAL PACKAGE.

INSTRUCTIONS

Application for registration: Submit original only. A confirmation of registration will be provided by return mail.

Registration submitted by: Enter the complete name and address of the company responsible for the registration of pesticide products.

Registration submitted for: Enter the names of any distributors or subsidiaries for which the registrant is providing registration. These names may appear on the actual pesticide product label.

Product data sheet: One copy of product data sheet (8½ X 11") for each product to be registered must accompany the initial application.

Write on the data sheet:

1. The full name (brand and otherwise) of the pesticide.
2. The name and address of the registrant.
3. The name and address of others that will appear on the labeling, if any.

Attach securely to the data sheet:

1. A complete copy of all labels accompanying the product at any time.
2. A statement of all claims that will be made for it.

Inert ingredient statement: Submit an inert ingredient statement for each new pesticide registration on forms provided by the Iowa Department of Agriculture and Land Stewardship. Inert ingredient statements are required pursuant to *Iowa Code* section 206.12(c) as amended in 1990.

Product name/brand/grades: List the product brand/name/grade on the registration page along with the appropriate EPA registration number.

Labeling: Each container must bear a label showing the following information:

1. Net weight or measure of the contents.
2. Name, brand or trademark.
3. Ingredient or guaranteed analysis statement. (A statement of the name and percentage of each active ingredient, together with the total percentage of the inert ingredients.)
4. Name and address of manufacturer, registrant or distributor.
5. Instructions for use.
6. Warning or caution statement where necessary.
7. If pesticide contains substances in quantity highly toxic to humans, the label shall show in addition to the above information:
 - a. The skull and crossbones;
 - b. The word poison prominently in red on a background of distinctly contrasting color;
 - c. A statement of an antidote for the poison;
 - d. Instructions for safe disposal of the container when the used container is hazardous because of the pesticide contamination;
8. EPA registration number.

Fees: The registration fee for new products is \$250 and will expire 12/31 of the year registered.

Penalty fees are due for any pesticide distributed and not currently registered. (Exemption: discontinued pesticides as described in Iowa Administrative Code 21-45.3.) Penalty fees are 25 percent of the registration fee.

Registration renewal: Registrations must be renewed each calendar year. Renewal forms are provided to the registrant listing those products registered for the current year. The registrant verifies the list, deleting any products not to be registered for the ensuing year and adds new products. Product data sheets for renewals only need to be submitted if different from the one last submitted. The annual registration fee is based on one-fifth of one percent (0.002) of the gross sales of each product in the state of Iowa for the previous year with a minimum of \$250 and a maximum of \$3000 per product. Payment is to accompany application for registration and made payable to the Iowa Department of Agriculture and Land Stewardship.

The state of Iowa reserves the right to approve, accept, disapprove or reject any registration for a reasonable period of time and attaches no legal rights or obligations to the immediate processing of your remittance.
